

CANVAS & CHAPTER: A UNIQUE ONLINE BOOK AND ART STORE EXPERIENCE

Advanced Object - Oriented
Programming Project

Key Points:

PROJECT OVERVIEW:

• **Canvas & Chapter** is an eCommerce platform offering a curated selection of books and art supplies.

UNIQUE FEATURES:

- **Books by Category:** Easy browsing by genre, author, and more.
- **Art Supplies:** High-quality, aesthetically pleasing products.

WHY THE NAME?:

The name "**Canvas & Chapter**" reflects the dual focus of the platform:

- "**Canvas**" represents the art supplies and the creative aspect of the site.
- "**Chapter**" symbolizes the books and literary journey users will embark on

Project Feasibility Analysis

- **Target Market:** The primary customers are likely to be artists, students, educators, and book enthusiasts. The market for art supplies is growing, with a projected CAGR of 4.9% from 2024 to 2032. The book market remains robust, driven by a steady demand for both physical and digital books.
- **Product Range:** Offering a curated selection of high-quality books and art supplies can differentiate the platform. Focus on unique, hard-to-find items and exclusive collections to attract niche markets.

Oriented with Societal Needs

1. Sustainability

Eco-friendly Products: Offer books printed on recycled paper and art supplies made from sustainable materials. Highlight these products to attract environmentally conscious customers.

2. Community Engagement

Support Local Artists and Authors: Feature works by local artists and authors to support the community and provide unique products. This can also include exclusive items that are not available elsewhere.

Novelty of the Title

Dual Focus:

Books and Art Supplies:

Combining books and art supplies in one platform caters to a diverse audience, including readers, artists, and hobbyists.

Curated Selection:

Quality Over Quantity:

Emphasizing a curated selection suggests that the products are carefully chosen for their quality and uniqueness.

Brand Identity:

Canvas & Chapter: The name

itself is creative and memorable. "Canvas" evokes the world of art, while "Chapter" relates to books, seamlessly blending the two domains.
